

FCA After School Program NEWSLETTER

August 2011

Welcome to the After School Program

Dear Parents/Guardians and Students:

The summer vacation has ended and we are beginning a new school year at Fellowship Christian Academy After School Program. The ASP Staff have been working very hard over the past few days to prepare for the arrival of students. We have gone to great lengths to make our rooms a comfortable and welcoming place which will facilitate a safe, secure feeling to ensure academic success. We are looking forward to getting to know and work with your son/daughter this school year.

You will continue to receive our newsletter at the first of the month letting you know what we will be doing along with upcoming events. The newsletter is enjoyed by students, but it is also a very useful tool for parents. The newsletter will be instrumental in keeping up to date on what's happening in the ASP.

Check out our daily schedule, special schedule, early release days and class rules. Please read over these carefully and be familiar with them.

Your help and support are needed in making this your child's best year in school. I am looking forward to working with you and your child. Thank you in advance for your continued support and cooperation and for entrusting us with your child/children.

For Him and His Kids,
Ladine Gathright
