

Welcome!

Parent Teacher Fellowship (PTF) Kickoff
and
Membership Drive
September 29, 2011

What is a PTF?

- * The Parent-Teacher Fellowship is a partnership between Fellowship Christian Academy and the families of the student body. Together we plan events and special activities for our school's students, teachers, and staff.

What is a PTF?

- * As a parent of a student here at FCA, you are an important instrument for the PTF! You join our teachers and staff in creating an atmosphere of love, compassion and Christian fellowship in our school.

Purpose of PTF

- * Fellowship Christian Academy is an extension of your family. Families care about each other, encourage each other, support each other, and value each other. The PTF is ideally an organization that fosters respect among all adults associated with the school. It opens lines of communication, creates networks, and cultivates friendships among FCA's parents, faculty, and staff.

Purpose of PTF

- * The PTF is a group committed to the service of God through their service to the school. One of the main responsibilities of the PTF is to coordinate and execute the fundraising strategy of the school. The operating budget of the school is not totally covered by tuition, so fundraising is an essential and important part of yearly revenue. The PTF helps by running catalog fundraisers, candy sales, popcorn sales, and numerous other events.
- * The Parent-Teacher Fellowship is the starting point for camaraderie within the body of Christ that makes up Fellowship Christian Academy.
